

Southside Strength Co.

FRONT DESK PRICE LIST & MEMBER OFFERS — internal, Q1 2026 — not for display

Opening hours

We're open 5am to 10pm weekdays and 7am to 7pm weekends. Staffed from 6am to 8pm on weekdays.

If someone asks when it's quiet, the floor is quietest weekdays before 8am and after 7pm. Avoid recommending the 5pm to 6:30pm window to anyone who says they hate a crowd.

Sites

Southside Strength Co. operates from Benteigh, with sister gyms in Cheltenham and Mordialloc. A membership covers all three.

Memberships

Type	Price	Notes
Full — 12 month	\$79 / month	All sites, all hours
Full — 6 month	\$89 / month	All sites, all hours
Off-peak membership	\$49 / month	Benteigh only, 10am–3pm
Rolling	\$95 / month	Cancel with 30 days notice

Classes

All classes are included. Members book through the app, or we can book them in at the desk over the phone if they'd rather.

Online training

We do not currently offer online or remote programming. If a member is moving away, direct them to the Cheltenham or Mordialloc sites if either is closer, otherwise wish them well.

Renewals

Members on a fixed term who renew before their expiry date get 15% off their first month of the new term. This is the only discount we give on an existing membership. Do not improvise anything else, and do not offer to check with a manager.

Returning members

Anyone whose membership has lapsed is eligible for one free personal training session on rejoining. It needs to be booked in with a trainer, so take their details and Amy will call them back to arrange a time.

Members who've gone quiet

For current members we haven't seen in a while, you can give them a guest pass to bring a mate in. Text them the link. Don't read the code out over the phone, people always write it down wrong.
